THE ART LEAGUE OF LONG ISLAND PRESENTS

# PRE-COLLEGE PORTFOLIO DEVELOPMENT

This intensive 3-week pre-college studio experience allows students to delve deep into their studies, fully immerse themselves in the creative process and build their portfolios for college. Students will experience professional studio practices as they explore observational and figure drawing, painting, mixed media projects, and more! The program ends with a gallery exhibition to showcase student work.

In addition to a comprehensive studio experience, this program features lectures, lessons, and demos by professionals in the fields of art and design who will share strategies for success both in and beyond the studio!
