

Advanced Placement Exhibition

February 16 – March 3, 2019
at the
Art League of Long Island's
Jeanie Tengelsen Gallery

Dear Art Educator,

For the 12th year in a row the Art League of Long Island is pleased to offer the opportunity for High School Advanced Placement art students throughout Suffolk and Nassau counties to exhibit their work in an AP Art exhibition entitled, "GO APE". Each school may submit up to 4 works to be apportioned as the teachers see fit among Drawing Portfolio, 2D Design Portfolio and 3D Design Portfolio. We hope to represent a wide cross section of media: Drawing, Painting, Printmaking, Mixed Media, Sculpture, Photography, and Computer Graphics. This exhibition will feature talented art students working across Long Island and will give the students the opportunity to view artwork created by their peers in a professional gallery setting.

In that AP students are aiming at careers in the fine arts, presentation appropriate to a professional gallery setting should be stressed. Simple frames, properly wired (no saw tooth hangers), white or off-white mats preferred. Matted, unframed work must be shrink-wrapped with foam core backing. To encourage more attention to appropriate framing we will be giving a special award for "Best Presentation."

Awards will be given at the reception scheduled for Sunday, March 3rd, from 1:00 – 3:00 pm, and will honor outstanding work created in each two and three-dimensional content area. The students will remove their works on March 3rd, following the reception.

To insure space for your students' work we are asking teachers to reserve space and submit one application for each work submitted. The applications, framing instructions and labels can be downloaded from the website at www.artleagueli.org. The on-line fillable form may be printed and snail mailed or emailed to bjanowitz@artleagueli.org. If emailing, it must be saved, after filling it out, and attached to an email to return to ALLI. Please attach the identification labels to the **submitted works**, one on the front and one on the back.

Drop off dates for artwork:

Tuesday, February 12, 2-7pm

Pick-up date:

Sunday, March 3, immediately following the reception.

Fee for each student: \$25

IMPORTANT: IF CONTRACTING THROUGH BOCES PLEASE INFORM THE ART LEAGUE WHEN SUBMITTING STUDENTS INFORMATION. THANK YOU!

Reservations will be taken up to February 4 or until the gallery space is filled, whichever comes first. Gallery labels will be made from the information in the application. Please forward your reservations and any questions to Bobbie Janowitz at bjanowitz@artleagueli.org or call her at (631) 462-5400 x227.

Sincerely,
Charlee Miller
Executive Director
