

My Companion & Me!

ART WITH A PARTNER

for Children & Young Adults

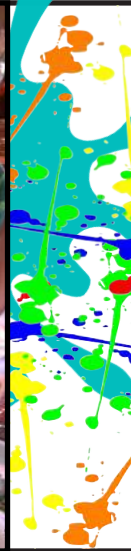

with **Toni Neuschaefer**

This series provides each participant and his/her special loved one a precious opportunity to bond together while creating something beautiful.

Using a multitude of mediums, each young person goes home with a completed craft project each session.

This program is led by Toni Neuschaefer, who for the past 14+ years has directed the Town of Huntington's multi-faceted Saturday Recreational Program for Children with Special Needs.
