SPIRAL

(Schools Partnering in Real Arts-Based Learning)

Level I Project Based Partnership

Membership Fee: \$3,000

Benefits:

- Individualized planning with classroom teachers around instructional goals/methods
- Joint development of an exciting, engaging integrated project-based experience, including development of a culminating event for the larger school population
- Orientation and professional development for partnership members
- Two visits to the Art League for up to 50 students. Each gallery visit includes a one-hour in-depth discussion of the exhibition as it relates to theme and project developed by the partnership team. A second hour will be spent in the studio (average 15 students per studio experience) with a master artist/educator
- \$5 gallery student admission fee waived
- Studio experiences may include: painting and drawing, ceramics, computer graphics, printmaking, photography, jewelry, glass fusing, and stone and wood sculpture
- Optional in-service credit available with SPA membership
- School Partnership Basic Membership included (\$500 fee waived)

api

(Advanced Placement Institute)

This program is individually designed for each participating High School. The League's administrative and teaching staff will work with Art Teachers in each particular High School to design a program that meets each district and every student's needs. This is a rigorous program where students create art, share and talk about their art, and prepare their portfolio.

Membership Fee: Initial consultation included with Basic Membership.

spa
